Subject : Marketing strategies

Dear Mr Wright ,

I hope this email finds you well

I send you this email to summarize the strategies we decided on .

The first one is developing sales using e-commerce .

Me and my team thing that developing online sales is very important to boost our sales and to gain more customers from different nationalities .

The second strategy is hiring a Top designer because he will create great products .

I am looking forward to meeting you on Friday

at 9 o'clock.

Best regards,

Hudson Corporation
