٢٠ رجب ١٤٤٦ هـ

This Morning, I went to to the doctor, that because I had been feeling dizzy, and noticed ~~felt~~ some of swelling in my feet.

The doctor asked me if I have ever had high blood pressure before. I replied that I've been feeling stressed lately at work.

after he ~~met~~ sever examining
me, he said that I had high
blood pressure, also known
as hypertension

WEEK 4

RAJAB SHAABAN JANUARY

[illegible]

35

He prescribed medication to help lower the pressure, advised me to reduce salt in cooking, and manage stress better.

I already have started taking my medicine and felt better.

He prescribed medication
to help lower the pressure,
advised me to reduce salt in
cooking, and manage stress better.

I already have started taking my
medicine and felt better.

my advise to others
 my to exercise regularly ~~and~~
 to relief stress that could
 happened during work and
 monitor your blood pressure
 regularly. especially if you
 have symptoms like dizziness
 or a headache ~~is~~.
