

① she was living in London in her early twenties and working for an advertising agency.

② she met him at a nightclub on the beach while she was on a camping holiday in the south of France. she fell in love, moved to Paris to be with him and later found a job there, which changed her life.

③ on Sunday they often went for walks visiting places like the botanical gardens and the zoo.

④ They stopped because there was a lot of noise coming from one of the trees. They saw an owl and some small birds attacking it.

⑤ The following year one of her boyfriend's friends saw the photo in a magazine. Jane called the magazine got Cartier-Bresson's phone number, he was friendly and sent her a copy of the photo and later signed it.

⑥ The photo is important because it captures a happy time in her life. Even though she and her French boyfriend eventually broke up, the picture reminds her of that happy period.
