

#### **ESTEEM PROGRAM**

# Intermediate Level

#### Instructor

Majda Khiam Ty Melgren

#### **Email**

mjamideast@gmail.com tymelgren@gmail.com

### **Description**

This course will develop STEM teachers' English language skills at an intermediate (B1+) level through practice of the four skills - listening, speaking, reading, and writing - through an exploration of real world topics. Additionally, this course aims to raise STEM teachers' awareness of student-centered and interactive teaching methods. This course will also be supplemented with additional teacher workshops and reflection sessions to apply and reflect on what they have learned.

### **Course Objectives**

In this class, you will increase your understanding and use of common grammar structures in English at an intermediate (B1) level, including: present perfect, present perfect progressive, past perfect, articles, indirect questions, and -ed/-ing adjectives. You will also increase your ability to communicate clearly and effectively about goals, memories, the past, emotions and personality, and business related topics. In the teacher workshop component, STEM teachers will explore skills for creating interactive lesson plans, adapting teaching material to student needs, and constructing a STEM teacher community for an ongoing learning beyond the ESTEEM program. In the reflection session component, STEM teachers - as students of English- will first reflect on the activities incorporated in the ESTEEM program and second analyze how to incorporate these in their own teaching environment.

# **Asynchronous Tasks**

In addition to your work in the classroom, you will also be required to complete tasks and assignments outside of class. These tasks will equal about 2 hours of work per week and requested assignments must be submitted to AMIDEAST Online by the deadline given.

### **Student Assessment**

You will be evaluated in a variety of ways throughout the course and receive feedback from the teacher to help you continue to improve your English language skills. Student assessment is based on the following criteria, on a scale of 100%. The passing grade is 70%.

**Attendance Policy** - Students cannot miss more than 7 hours (20%) of class time in order to pass the course. Late arrivals are counted towards the 8-hour limit.

#### **Class Rules**

- Arrive to class on time.
- Be prepared to participate in class activities.
- Bring the class textbook to every class session.
- Be sure your mobile phone is on silent and out of sight.
- Do not bring food or drinks into class
- Complete all home assignments before class. (This helps ensure that you progress more quickly!)

WELCOME TO CLASS! WE'RE GLAD YOU'RE HERE!
