## Marty and Carrie's sad story....

Carrie and I were on vacation in Vanuatu in the South Pacific. It's really beautiful there, and one day we went for a walk and saw this house for sale. It was on a cliff overlooking a bay, and you can imagine, the views were absolutely fantastic. We just fell in love with it. We had to have it – so we bought it then and there, and the next day we hired an architect to redesign our dream vacation home. That evening we celebrated, and in the middle of the night, we were fast asleep when suddenly we were thrown from our beds. The room was shaking- it was the biggest earthquake that had ever hit the region. But the worst was still to come, because the next morning when we drove out to check our newly bought house, we found that the whole cliff had fallen into the sea. We lost every cent we had.
