Answers to quiz

Mostly **a** answers

You're a daydreamer. Did you actually manage to finish the quiz? You have little control over your life. Chaos surrounds you. Perhaps you tell yourself that you are being creative, but the truth is that you are frightened of failure, so you don't try. Your abilities remain untested and your dreams unfulfilled.

Mostly **b** answers

You represent balance and common sense. Your ability to manage your life is impressive, and you know when to relax. You understand that the best decisions are never made in an atmosphere of pressure. You are able to meet deadlines and look ahead to make sure crises don't happen.

Mostly **c** answers

You live in hope that something or somebody will make everything in life work out for you. "I'll get around to it," you tell yourself. What you don't tell yourself is that you alone can manage your life. You are expert at putting things off until later and finding excuses when you do so. Forget these excuses. The right time is now.

Mostly **d** answers

You are certainly an achiever. Superman or superwoman. You know how to get a job done, and you are proud of the way you manage your life. You are obsessive about putting every second of the day to the best use and get irritated by people who are not like you and prefer to take life at a slower pace. Learn to relax a little. Remember, stress kills.
