

Hello everyone 😊

# Let's discuss

- ▶ Imagine you are the mayor of your own town:
- ▶ What changes would you make?
- ▶ What things would you grow ?
- ▶ What rules would you reinforce upon the citizens?
- ▶ What kind of fundraisers would you hold?

Write at least 5 suggestions about protection of environment by using given words below.

**We should.....**

**We shouldn't.....**

1) We should save energy.

1) We shouldn't waste the water.

2)

2)

3)

3)

4)

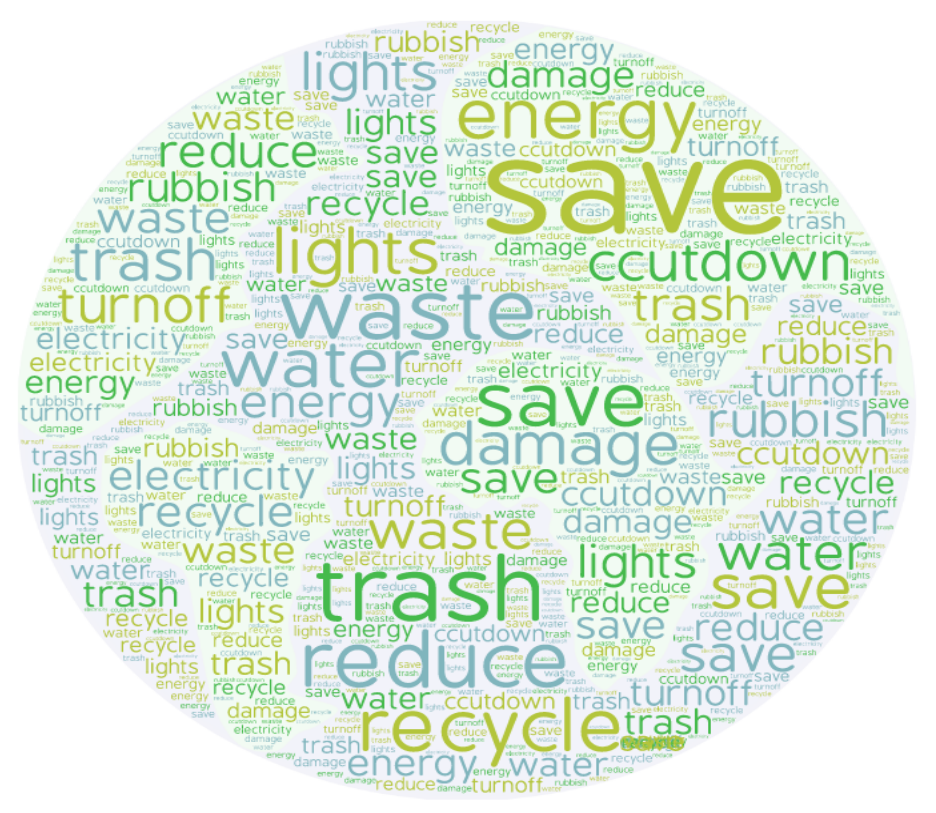

4)

5)

5)

6)

6)

# In groups

- ▶ Search about different kinds of pollutions, and how they affect the environment.
- ▶ Look for ways with your group to prevent this kind of pollution or find a solution for it.
- ▶ What would be the long term impact of this pollution if it remains unsolved.

What is the most important element of life?

# Questions
