- 1 **CD1 18** Listen to and read about Andrew Johnson and Claudia Luke. What are their jobs? Where do they work?

Andrew Johnson

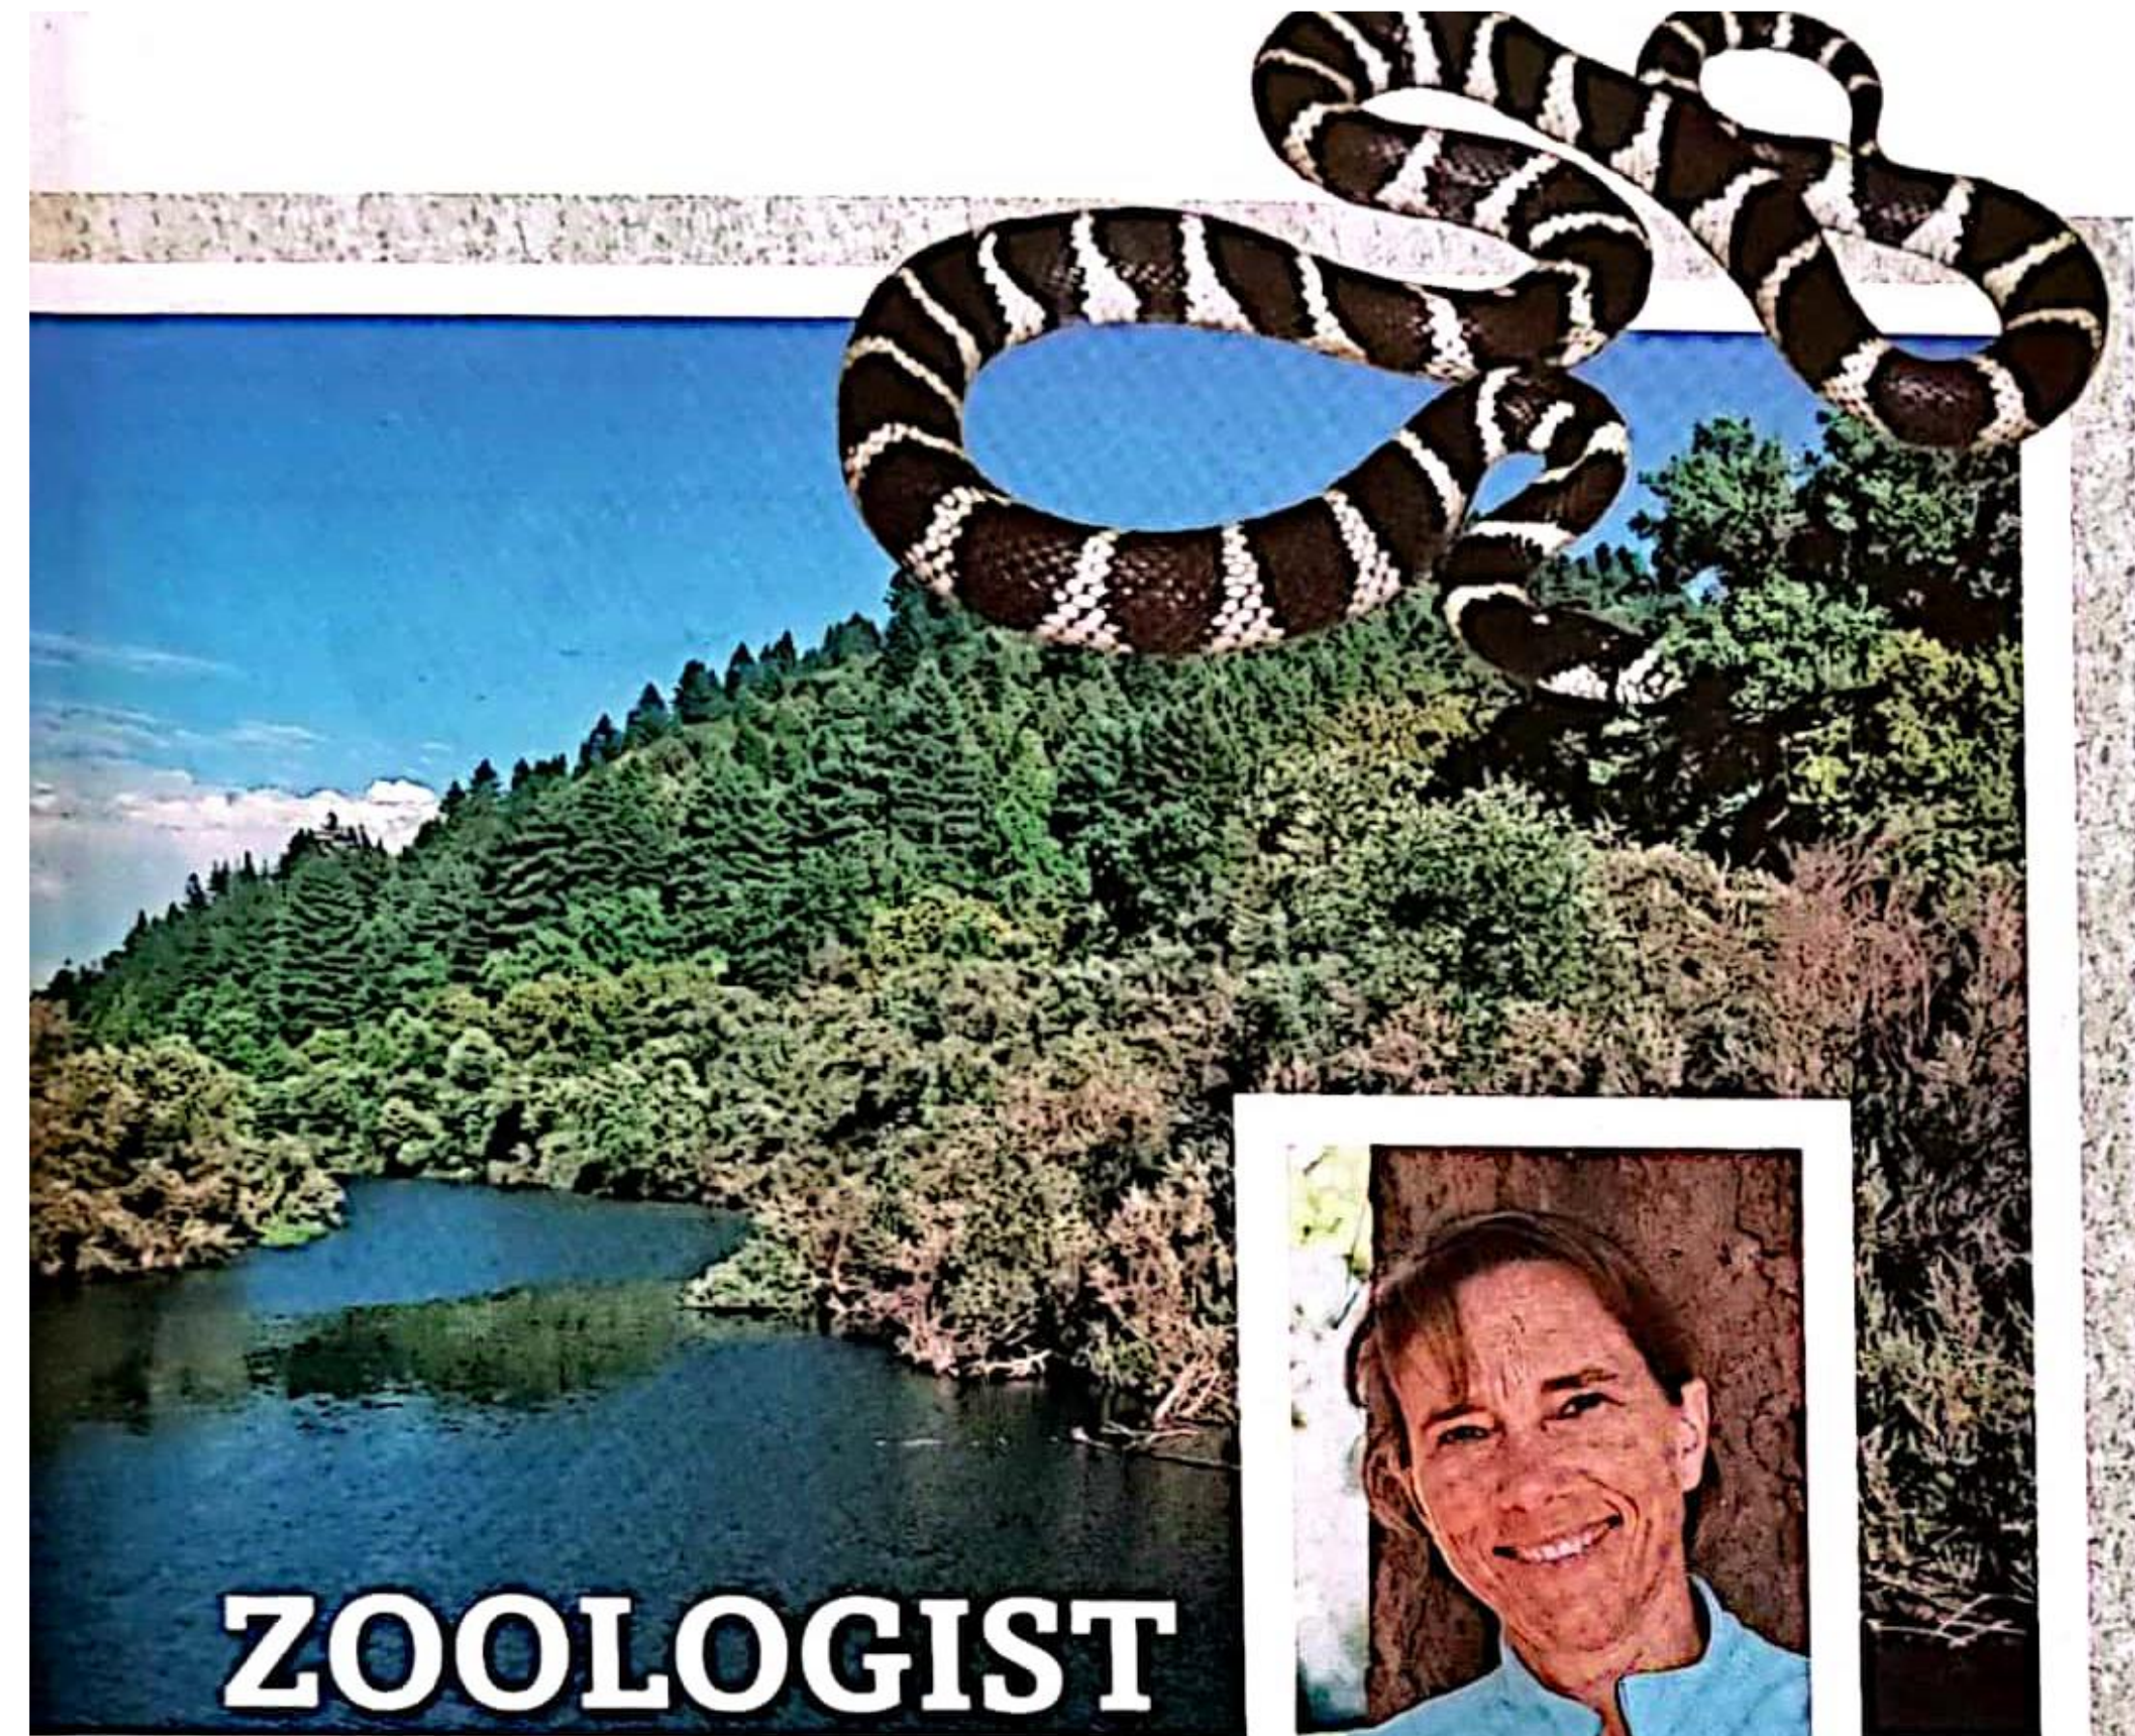

Andre, 30, is an engineer. He comes from New Zealand, but now he lives in Scotland. He works on an oil rig 440 km from the coast of Aberdeen. He works 12 hours a day for two weeks, and then he has two weeks off. He earns £200 (about \$330) a day. In his free time he goes to the gym and plays pool. He isn't married.

Claudia Luke

Claudia, 54, is American. She lives in California and she's a zoologist. She is the director of three research stations at Sonoma State University where she teaches and researches. Claudia studies animals such as snakes and mice in their natural environment. She loves her job and especially likes working in the mountains on the coast of California. Claudia is married to Chris. Chris is an oceanographer so he studies the oceans. In her free time she goes cycling and walks her dog, Luna. She earns about \$75,000 a year.
