

Documentary Story Presentation

You will prepare and deliver a **documentary-style story presentation**. Your presentation should tell a **real, factual story** in an engaging and structured way, similar to a short documentary.

1. Topic

Choose **one real documentary story**. It can be about:

- A real person (famous or unknown)
- A real event (historical, social, environmental, cultural)
- A real place
- A real social issue or phenomenon

The story **must be real**, not fictional.

2. Presentation Length

- **5–7 minutes** per presentation

3. Content Requirements

Your documentary story should include:

1. **Introduction**
 - Introduce the topic clearly
 - Explain *what* the story is about and *why* it is important
2. **Background / Context**
 - Give key facts (who, what, where, when)
 - Provide relevant historical or social background
3. **Main Story**
 - Tell the story in a logical order
 - Describe key moments, events, or developments
 - Use clear transitions (e.g. *At first...*, *Later...*, *As a result...*)
4. **Impact or Message**
 - Explain the consequences or significance of the story
 - What did this story change, reveal, or teach?
5. **Conclusion**
 - Summarise the main points
 - Share your final reflection or message to the audience

4. Visual Support

You may use:

- PowerPoint / Google Slides
- Images, short video clips, or maps

Slides should support your speech, **not replace it**

5. Sources

- Use **at least one reliable source**
- Be ready to mention where your information comes from (e.g. documentary, article, website)

6. Important Notes

- Practice before presenting
- Be prepared to answer **1–2 questions** from the audience
