

## ENGLISH LANGUAGE PROGRAM Twins 2

### Description

This class will help you improve your English through practice of the four skills - listening, speaking, reading, and writing - as well as through grammar, vocabulary, and pronunciation exercises. Students will learn to talk and write about useful everyday topics, for example: places around town, housework, describing personalities, asking and giving directions, asking for permission, and describing personal preferences. You will also learn: how to form affirmative and negative questions, future will and going to, and obligations.
